BRIGHTER!  
FOR YOU!**

the **VOICE** MAG

VOICE is a project of the Cosmopolitan team, female media brand №1. This is the voice of active girls and women who are changing independently their lives and the world around them. VOICE is the voice of the importance of a women's role in rapidly changing world.

VOICE is about honesty, sincerity, individuality, energy, purposefulness, fearlessness, curiosity and lifelong learning.

**VOICE –  
I CHOOSE  
TO SOUND!**

VOICE is the place for inspiration, awareness, support and openness to discussion of any topic. We will continue to write about fashion, beauty, career, self-development, relationships, trends, significant news and major events.

EDITOR IN CHIEF

## Hello, dear!

A year ago we promised that we would not only adapt to a new reality but would change it for ourselves. We've done it!

**THE VOICEMAG** — Women's brand №1 — there is no doubt about it. We not only continued to do our best on the market, we also got more freedom and now create only what we like ourselves. In this case, we are the ones who set trends on glossy market!

In 2024 we will continue creating bright special projects, will impress by new creative formats and we will

definitely keep priority directions. The main point is that we will inspire, delight and lead!

We promise: it will be louder! Stay with us!

### Не выбирать между детьми и деньгами: какую поддержку можно получить от государства

Дети — это любовь, а их воспитание — это талант, который раскрывается уже во время материнства. Не беспокойся, что у тебя не хватит ресурсов на воспитание ребенка: в национальном проекте «Демография» много полезных мер поддержки! Наталья Москвитина, многодетная мама и основательница фонда «Женщины за жизнь», поделилась своим мнением о счастливом материнстве.

### «Я хотела создать идеальный для себя снэк»: 3 истории женщин-предпринимателей, вышедших на международный рынок

По данным исследования «Тинькофф Бизнеса», 39% предпринимателей в России — женщины. Их число постоянно растет: еще год назад доля бизнесвумен составляла 36%, а три года назад — 32%. По словам первого вице-преьера правительства Андрея Белоусова, сейчас в стране женщин-предпринимателей примерно столько же, сколько женщин-учителей и женщин-врачей, вместе взятых.

В ходе опроса, проведенного Комитетом по развитию женского предпринимательства «ОПОРА РОССИИ», выяснилось, что предпринимательство для 65% россиянок — это комбо «два в одном»: оно
